

Wrapping Up

It's hard to believe that this is our last newsletter for the school year. May 1st is also your last tuition payment for the year, so that's pretty exciting :). We do go into June, though, and our last school day is now Friday, June 9th.

May is our Explore Month and we'll start off with "Space Week". As always, Mr. Dan will be making a space ship out of big boxes and Grant's hockey helmets will become astronaut helmets for the week.

Next, the children will explore many of the wonderful books out there during "Book Week". We ask that each of your kids choose one of their favorite books to bring to school for the teachers to read to everyone (please be sure to write your child's name on the inside of the book). "Pirate Week" will follow and we'll end the month with "Super Hero Week". Hopefully we can keep our little superheroes from "flying" around the school too much. Sometimes turning into superheroes really riles them up! Our first week in June is "Art Week" where the teachers and preschoolers will turn the sportcourt into an art gallery. The last theme of the year will be voted on by the preschoolers, so stay tuned.

A few reminders: Please be sure to send warm enough clothes for your child to go outside each day. With this crazy

weather we've been having, often times the kids aren't dressed warm enough and it cuts their time outside short, which is unfortunate. As mentioned in the last newsletter, our end of the year party/preschool graduation is on Monday, June 5th, 5:00 - 7:00 at the Portman Community Center out in Lakeside. It will be a potluck and we will have a sign up sheet out a few weeks before. The school will provide hotdogs and buns. Preschool will close an hour early that day at 4:30. We've had a fun year with all of your kiddos and it's going to be very sad for us to say good-bye to 11 of our 13 as they all head off to kindergarten! Thank you for allowing us to be a part of your child's lives - we love what we do!

May/June 2017

Feeling the music!
