

Happy Halloween!

We are just about through with our first month of preschool and it has been fun getting to know so many new preschoolers and their families. We will wrap up September with our Seasons/Weather Week and head into our Imagination Month in October. You can refer to our website under, "For Families", to access our calendar with all of our weekly themes and letters of the week. There you will also find all of our monthly newsletters and a link to order books from Scholastic. I will be placing a Scholastic book order every other month starting in October. We really love when parents order online as it earns our school extra books. We're also happy to place your order for you if you give us a check and your order form.

At the end of October, we will have our first party of the school year. On October 31st, we will have a Halloween party from 11:00-12:00 and parents, grandparents, special family friends are invited. Ideally, we would like each of our preschoolers to have one friend or family member with them. If this isn't possible, just let us know and one of us teachers will be your child's buddy during the party. There will be craft tables and activities set up around the school. Be prepared for a bit of "organized chaos", but it's a lot of fun! Parents/friends will leave at noon and the preschoolers will then go on with their day as normal. The children can wear costumes to school that day, but please also pack another outfit. Oftentimes the kids get uncomfortable in their costumes and don't make it all day in them. Finally, I will be scheduling our professional photographer to come take preschool pictures coming up soon. I will send an email out with all of the details. Those are all of our announcements for now. We're off to a great start and October should be lots of fun!

Sept/Oct 2017

Musical Fun!
