

## Photo Release Permission Slip

### Homeroom App Group Daily Updates

Hidden Valley Preschool takes pictures and videos of students during the day and uploads them to a photo sharing app called Homeroom. Only teachers and family members of current students are able to view the pictures.

- Yes, Hidden Valley Preschool has my permission to take pictures and videos of my child during the day, upload them to the Homeroom App and identify my child by name in photos.
- No, Hidden Valley Preschool does not have my permission to post pictures of my child to the Homeroom App.

### Public Photo Use

Hidden Valley Preschool uses photographs and videos of students taken during the school day for educational and promotional purposes. These include, but are not limited to, its website [hiddenvalleypreschool.org](http://hiddenvalleypreschool.org), its public Facebook page, and promotional print materials. Any such use does not include student's names. Parents/guardians who authorize the use of their child's image do so with full knowledge and consent and waive all claims for compensation for use, or for damages.

As a parent/guardian of this student, I authorize Hidden Valley Preschool to (check all that apply):

- use photographs and videos of student work my child has made, without their name showing (projects, artwork, etc.)
- use photographs of my child, without their face showing
- use photographs of my child, including their face
- use videos of my child
- none of the above. I do not consent to the use of my child's image for promotional purposes.
